

What we've all been waiting for!

As a practising Speech & Language Therapist, I know that making therapy aids is a time-consuming and thankless task. But with these new phonology cards, Speaking Matters has done all the hard work for you!

We've teamed up with a professional children's illustrator to create packs of twenty charming pictures all beginning with the same sound.

FEATURES:

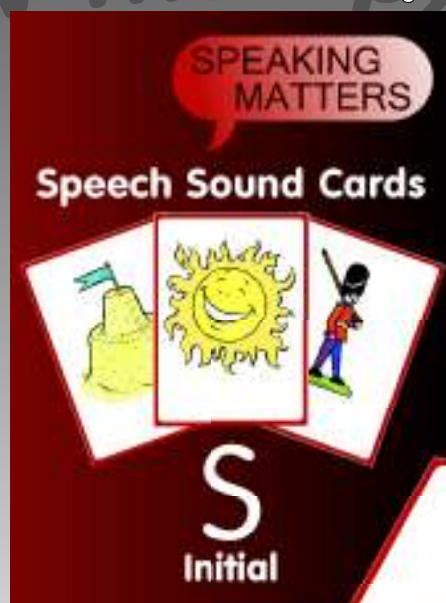

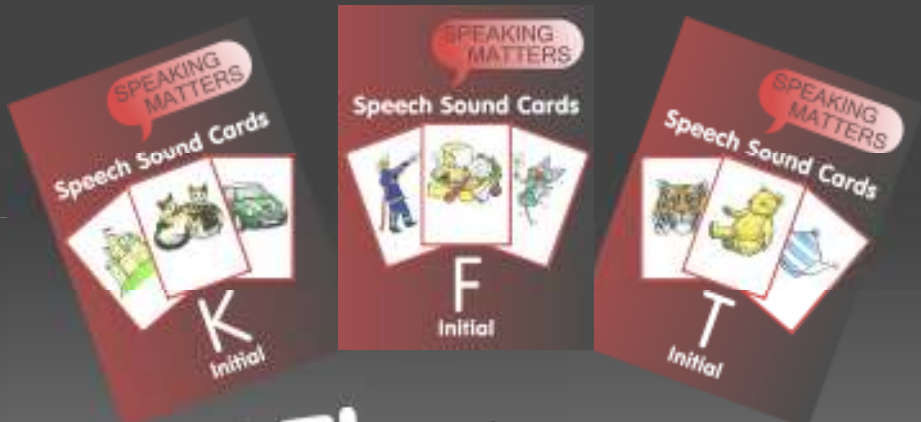

- Contents: 20 cards (word list on box)
- Includes words of varying lengths and vocabulary levels.
- Letter or word can be written on to suit therapy needs
- Compatible with drywipe markers for flexibility.
- Card size: 8cm x 11cm
- Made in England
